"Teaching is a calling for me. I have never done anything that I didn't put my heart and soul into. Teaching has essentially been a second career for me."

As proof of her commitment to education, the Éva Marton International Singing competition became an unmissable opportunity and door onto the international opera scene at a legendary venue, the Liszt Ferenc Academy of Music. World-known members of the jury like Anatoli Goussev or Miguel Lerín are looking for the sort of artists who seem to be capable of realizing what Éva Marton achieved, whose career is founded on an incredible level of hard work and constant learning.
